EXPERIENCE

FRONTEND DEVELOPER (Web & Mobile) Dec 2021 – Present

PT. Infosys Solusi Terpadu - Sleman, Yogyakarta (Full time)

- **Developed and optimized** multiple responsive web applications with modern UI/UX, resulting in improved user engagement.
- **Converted** high-fidelity mockups into fully functional applications, ensuring **100% cross-browser compatibility** and faster load times.
- **Integrated** RESTful APIs in collaboration with backend teams, enhancing system reliability and performance.
- **Delivered** mobile application features (iOS & Android) during a 6-month period, ensuring UI consistency across platforms.
- **Maintained and enhanced** existing websites by **resolving bugs and adding new features**, increasing stability and user satisfaction.

FRONTEND DEVELOPER (Web & Mobile) Sep 2021 – Dec 2021

PT. Bixbox Teknologi Perkasa (Refactory.id) - Sleman, Yogyakarta (Bootcamp – Intensive Probation)

- **Collaborated** with senior developers on real-world projects, applying agile methodologies.
- **Contributed** to the development of both mobile and web applications, strengthening practical coding experience.
- **Improved** frontend skills through **pair programming, code reviews, and sprint-based delivery**.

FRONTEND DEVELOPER (Vue.js) Apr 2021 – Aug 2021

PT. Majapahit (BKPM) – Kuningan, Jakarta (Contract - Project Based)

- **Developed and deployed** subsystems for the Online Single Submission (OSS RBA) platform, streamlining the business licensing process.
- **Engineered** Masterlist and Litbang modules, improving verification efficiency for UMK and non-UMK users.
- **Implemented** secure authentication and authorization features, strengthening platform security.

FULL STACK PHP INTERN Oct 2020 – Nov 2020

Rachacha Indonesia Company – Waringirejo, Sukoharjo (Internship)

- **Built and maintained** a web-based employee data system using PHP (CodeIgniter) in collaboration with programmers.
- **Diagnosed and repaired** computer hardware issues, reducing downtime in IT operations.
- **Supported** company events by **coordinating technical setup and troubleshooting**, ensuring smooth execution.
